Dear Attendees:

On behalf of the Valdosta City Council and the citizens of our community, I would like to take this opportunity to welcome you to the Epic Advertising LLC Business Expo/Benefit being held on January 10, 2015 from 12:00 p.m. to 4:30 p.m. at the Valdosta State University Center Magnolia Room. We join the organizers of this event in supporting and recognizing the opportunities that this event will bring to all who attend.

This event is truly a testament to the dedication of those citizens in our community who have small businesses and want to pass along many valuable services. This event will benefit the Uplifting Sistas, Jewels for Julie, and Beautiful Creations by Chanel. It is our sincere hope and prayer that you will enjoy this wonderful event and the memories that it will bring.

We certainly appreciate the efforts of Epic Advertising LLC in showcasing over 20 small business vendors and wish them continued success in their ventures. If there is anything that the City of Valdosta can assist you with during this time, please do not hesitate to call upon us.

Sincerely,
